DOCKET ENTRY:

RECORD OF ORDER:

The supplemental briefing I requested on the issue of irresistible impulse is complete and under advisement as of December 7, 2007. Defendants' cross-motions for summary judgment (## 44, 47), filed on November 19 and 21, 2007, respectively, are untimely under this court's initial scheduling order, which set a dispositive motion cut-off date in April 2007. That date has not been extended; accordingly, the court will not consider defendants' cross-motions.
